

NEED EXTRA CASH?? S.O.S. PROGRAM (Shovel Out Seniors)

Here is the perfect way to earn extra cash and Community Service hours while helping the senior citizens in your community.

The Department of Public Safety is once again sponsoring the SOS program, which provides help to our senior citizens. The senior citizens will be provided with a list of Nutley High School students who have signed up with the program. The senior citizen will contact the student directly to discuss details and will call the student(s) after a snowstorm of 3 inches or more. Students will be expected to make arrangements to shovel within 24 hours of the storm and will bring their own shovels. The senior citizen must provide their own salt for the walkway/stairs. The seniors pay the students directly and recognize that most senior citizens are on fixed budgets. If you wish to participate, please complete the form below and email or drop off no later than November 15, 2024 to:
